## A Word From Our Chapter Director

It is hard to believe, but summer is just about over. It won't be long before we have to watch out for leaves and other slippery stuff on the roads as we ride. For us it has been a busy riding season. After attending 4 rallies, Ohio State GWRRA, Ontario Canada Rendezvous 2009, NY/NJ and the CMA NY State Rally I think we are "rallied" out for the season. However, we are already talking about next year.

Mike and Ginny  
Schelkun, CD

Although we have no more rallies planned, we still have some great rides coming. We will be going on the Bromley View Inn ride to Vermont. Although not a motorcycle trip we will be going to Savannah,

Georgia in October. This is a business trip. Ginny is looking forward to it because of a visit to Paula Dean's. I would like to ride, but the possibility of snow on the return turns me off.

We've had a number of great rides this season. Last week Ginny and I were able to make the ride to Rudy's. We followed the lake shore and back roads to Oswego arriving at Rudy's on schedule for a great lunch right on the lake shore. The beach is all rocks. Some of us old fogies were able to skip some rocks like we did many many years ago. Thanks go to Pat for putting this together and leading the ride.

It is great to see some new faces at our gatherings. We try to introduce them, but sometimes forget. In any case we welcome all newcomers and returning old timers. Please make them welcome to all of our activities. Take care and ride safe.  
Mike and Ginny

Hi Friends,

It seems summer just arrived and it is almost over already. August was a very good month with lots of good hot weather and good riding. How about that NY / NJ rally? That was a lot of fun! It was very nice having both districts together for 1 rally. The crash scene re-enactment was very well done and was very educational. Hats off to Gary Cork chapter director of NY-N for all his hard work putting it together!!

The chapter picnic / pig roast was well attended again this year. The weather was very nice if not maybe a little too hot but that's better than rain.

We had a nice ride before the picnic and the pig was almost ready by the time we got to my house. Special thanks to John Kent for the work he put into preparing the pig. It was excellent!! Thanks John!!

Coming up this month on the 2nd chapter H will be at Lugia's. We still don't have a Dash point from them so this is our opportunity to get it. They should be arriving there around 6:30 but we can be there earlier.

On the 5th is a ride lead by Paul Wood to Olcott beach for the annual car show. The next day is the Ride Out in Jamestown again the ride there will be lead by Paul. Anyone needing more info call Paul at [home 585-343-8903](tel:585-343-8903) or [cell 585-409-1064](tel:585-409-1064).

The Pearsons will lead a ride to the Bromley View Inn in Vermont leaving on Friday the 11th and returning on Sunday the 13th. For more info e-mail [jpearson6@rochester.rr.com](mailto:jpearson6@rochester.rr.com).

On the 14th Wegmans on Calkins Rd in Henrietta will have their final cruise night of the year. Several of our members were in attendance at the last one and had a good time. How about if we show up in force and show them that Goldwings are good cruisers, too!

*ACD, cont., page 2*

ACD, from, page 1

On Saturday the 19th Jim Pearson will again lead a ride but this time not all the way to Vermont. This time we will be going to the Cottage Inn in Red Creek. More details to follow.

On the 20th is the dice run and party to benefit S.I.S. (Sustain Inspire Survive). It is an organization that gives financial support to persons battling breast cancer. There is more info in a flyer in this edition.

On September 26th we will have the first annual "Poor Billy" memorial ride to the Middlesex roast beef dinner. We will be leaving from Charlie's in Victor at 2 PM. I urge all of you that knew and loved Billy to attend.

This month is the annual sale at "HUUUUGGGGEEEE" Hyundai and I will be very busy so if I'm not around much, I'll see you in October. Your "Goofy" ACD, Greg

## September 11 – 13, 2009 Bromley View Inn (B&B) Ride Leader: Jim Pearson

Once again, Jim and Linda Pearson will be leading a ride to the Bromley View Inn in Vermont. We will leave on Friday morning, September 11<sup>th</sup> (time/departure location TBD). We will stay at the Inn Friday and Saturday evenings and make our return back to Rochester on Sunday. On Saturday we will plan a ride to enjoy the area. The group that went last year had a great time and all felt very comfortable staying at the Inn. Innkeepers Kami and Kevin are very personable and hospitable. A delicious breakfast is included in the cost which is a plus.

We found that dining at the Inn for dinner also worked out very nicely, especially since restaurants are a few miles away and it gives you a chance to relax without having to travel again after eating. Both Kevin and Kami are great cooks and our meals were not only appetizing, but the presentation was spectacular. We even have pictures to prove it!

We are fortunate that the cost of the rooms remain the same as they were last year. Contact information and prices are listed below so **you can**

**make your own reservation.** If you go to the website, you can view the rooms and get more information on the Inn. After you have confirmed your reservation with the Bromley View Inn, please send us an e-mail at [jpearson6@rochester.rr.com](mailto:jpearson6@rochester.rr.com) so we can add you to our list of attendees. When the time gets closer and we establish our group, we will decide what time and where to leave from.

As we did last year, I will work with Kevin to plan the dinner meals and try to keep them around \$20 - \$25 per person. Again, please let us know as soon as possible if you are attending so we can plan meals that will suit everyone.

We hope that others will join us this year as we're sure you will enjoy the experience. Looking forward to hearing from you soon!

Full hot breakfast is included

**Evening meals** The Inn can provide dinner which we would need to preorder selection of meat. It works best to keep meat choices to a couple of selections. Last year, Kevin and I worked out menus and kept the cost fairly reasonable, which I will try to do again.

**Friday evening:** Proposing a BBQ with hamburgers/hot dogs/sausage. Let me know if you have any suggestions when you send us a confirmation that you are attending.

**Saturday evening:** I would suggest a choice of either steak or chicken. Last year the cost was approximately \$25 per person (based on a steak dinner). Dinner also included salad, potato, veggies and dessert with beverage (coffee, tea or soda). Details and exact price to be worked out once we decide what we would like to do.

*Having dinner at the Inn allowed the group to spend a relaxing evening enjoying the facility. A lounge is available to purchase cocktails. There is lots of comfortable seating available, a big screen TV and pool table, games, etc. The Inn boasts a wrap around deck that offers unparalleled views of the beautiful Green mountains and Bromley Resort.*

## GWRRRA Pennsylvania District Rally Johnstown, PA

*by Allen Skiles*

Charlie and Barb Fedeli and Joyce and I went to Johnstown to attend the GWRRRA Pa. Rally. I failed to register ahead of time so I had to do the daypass thing.

The event opened on Thursday the 13th at noon. We visited the vendors first. I got a good deal on a new windshield and a few other things and that was about it for me as far as the rally is concerned.

Friday started out raining. So we went sight seeing with 4 wheels. Had a great time visiting the National Park Service at the South Fork dam which broke in 1889 and flooded the city of Johnstown and killed at least 1,200 people.

My grandmother was 12 years old and fled with her sister up the mountain to get away from the flood wa-

ters. They found the rest of the family several hours later unharmed.

By the time we left the dam site the rain stopped and the sun came out and we had a nice day. Our destination was where flight 93 crashed near Stoystown. (Pictures

on page 8) They moved the building and large screen, looks like a baseball back stop, across the road from where it was originally located. The attendant said that they lost their lease and had to move across the road from the original site. There are many monuments placed there by verious organizations. A large screen (see page 8) is covered with hats, patches, stuffed animals etc. left there by visitors to the site.

Next it was on to the Incline Plane located about a block from the convention center. It is a great place to look out over the city of Johnstown. The City View Restaurant is located at the top of the Incline where we enjoyed a fine lunch. I suggest we do a Show 'n Go some Tuesday evening. Do you think you could arrange that Pat? Charlie will lead.
