

# The Winger

November 2013 A publication of GWRRA-NY "W" Rochester, NY  
"Friends for Fun, Safety, and Knowledge"

## Ashes, Ashes, we all FALL down.

by Greg Eames, CD

Down come all the leaves from the trees and the Goldwings are getting ready for their winter slumber. Fuel treatment goes in the tanks, tires are over-inflated or raised from the floors and battery tenders are attached to insure the battery's health come Spring.

Now is the time for Goldwingers to snuggle into their burrows and not come out again until warmer weather returns, right? Balderdash, I say! There are many Winter activities geared towards keeping us active and social! So what if we can't ride our trusty steeds in the snow? We can still enjoy each others company! The Winter schedule has been put together and is full of opportunities for get-togethers and also with some free spaces that we can fill in or just to enjoy our aforementioned burrows. There are Game Nights,

Coffee Klatsches and Tuesday night dinners. We have also figured on a couple of movie and bowling adventures. Bundle up and come enjoy the off season with your friends. As always, the schedule that is printed on hand-outs is only a guideline and is subject to change. The final authority is the calendar on the website.

Greg and Dee Eames,  
CD

The Spring 2014 NY District Ride-In planning is underway! The first meeting was held last month and the groundwork was laid. There still are a lot of details to be developed and tuned and we will need full participation from the membership to make this a great event. We will be having planning meetings the first Monday of every month at my house at 7:00 PM from now until May to hammer everything out and YOU are invited to attend and pitch in.

## Panorama Family Restaurant

## *Rider Education News*

*by Jim Pearson, Ride Educator*

*Jim Pearson,*

### **Have You Checked all Of Your Equipment??**

ere it is November already, where has the summer gone? Did you spend the summer attending the different Rallies throughout the region, did you go to Wing Ding, or did you spend your summer traveling and having great rides on your motorcycle? Whatever you did I am sure that all these activities were done in the safest riding attitude possible. But what do we, as members of GWRRA, consider to be a safe riding attitude?

For our motorcycles or trikes we can use the T-CLOCS or Trike inspection sheets. But what about our personnel equipment, do we remember to check our riding gear on a regular basis. How about your riding boots or shoes, is the stitching starting to pull out, are the soles still in good shape do they still provide grip. How are your riding gloves, do they fit properly or are they over stretched and not providing a proper fit limiting your ability to operate your controls?

Have you checked the shield and sun visor on your helmet are they starting to become marred. Does the interior of your helmet need to be cleaned is it starting to smell like a locker room. Is the helmet retention strap still in a usable status or is it showing signs of wear and tear.

As we enter the bike hibernation season for the year, as you start to pack your riding gear away for the winter, this is an excellent time to take a close look at our riding gear and determine how wear and tear is beginning to show. Please remember to check these items. They are just as important as a properly checked motorcycle or trike. The winter season is a great time to determine if any of your apparel needs repair replacement.

## Recipe of the Month

Fresh apples are plentiful right now. This is a good time to make:

### APPLE PAN DOWDY

3 cups sliced apples in 8" x8" x 2" greased pan. Over this put 1/4 cup brown sugar, sprinkle 1/2 tsp. cinnamon and 3/4 tsp. salt. Bake in 350 oven until apples are soft, about 20 min.

Blend 1/4 cup shortening, 1/2 cup sugar and 1 egg and beat until fluffy.

Sift 1-1/2 cups flour, 1-1/2 tsp. baking powder, and 1/2 tsp. salt. Add 1/2 cup milk. Alternately add the milk and the flour mixture to the creamed one. Beat well; pour over apples. Bake in 350 oven about 30 min.

This stuff is yummy!

Serve apple side up with whipped cream or chilled custard sauce.

# Christmas Is Coming

## SEE DEE EAMES FOR SHIRTS ETC.

# Sunshine Corner

Get well wishes to Karen Hockenberry, recovering from eye surgery.

Get well wishes to Mark Williams, recovering from pneumonia

Delighted that Ralph Emilo recovered from pneumonia last month.

## Health Tips For All

Remember to get your flu shots.

Check with your provider to see when you need the pneumonia vaccine

### Cover your Cough!

Ask about TDaP vaccine for Tetanus, Diphtheria and Pertussis (Whooping Cough). Adults (e.g., parents, siblings,

grandparents, child-care providers, and health-care personnel) who have or anticipate having close contact with an infant aged <12 months should receive a single dose of Tdap to protect against pertussis if they have not previously received TDaP.

(Source: cdc.gov)

As always, if you know someone associated with Chapter W who is ill, having surgery, or has passed away, please notify Tim or Mary Ann so we can send the proper acknowledgement.

Tim and Mary Ann Glasow @ 585-225-8916 or [trglasow@frontiernet.net](mailto:trglasow@frontiernet.net)

If you think Googy Fixer is great at repairing GoldWings, wait until he gets his hands on you!

## Remember this?

## Chapter "W" is going to do it again.

In order to do it, We need your help. See Greg and ask him what you can do to make this Ride-In bigger and better than our last one.

Planning Meetings will be held at Greg & Dee's the first Monday of the month until May.

## Trip to Pine Creek Gorge

Pennsylvania Grand Cayon

Joyce and I made the trip to this beautiful place on Oct. 19th. You can be glad you didn't tag along if you were looking for bright colorful leaves. Usually the third weekend of October is the best weekend to observe the fall foliage.

This year there wasn't really any good weekend to show up here. They had a high wind storm on the 5th and it stripped most of the trees of their leaves.

There is always next year!
